

1.01 Environmental Policy

Horizon Offsite Ltd. is committed to minimising the impact of its activities on the environment. The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- We will measure its impact on the environment and set targets for on-going improvement.
- Horizon Offsite Ltd will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving our performance
- Actively promote recycling both internally and amongst its customers and suppliers.
- Horizon Offsite Ltd will encourage the adoption of similar principles by its suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to Horizon Offsite Ltd.
